Opening Convocation

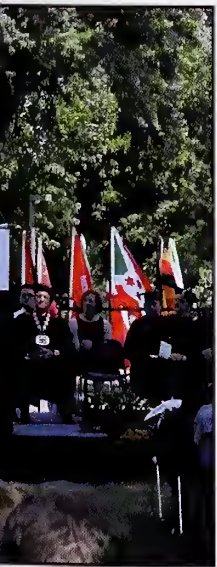

Opening Convocation was held on Monday, Sept. 8, at 10:45 a.m. under the trees on central campus. All college offices and departments will closed at 10:30 a.m. to enable attendance. An all-campus picnic lunch immediately followed the convocation.

New faculty and staff were introduced and asked to stand. Wartburg medals were presented to Dr. Ronald Matthias '54,

John Laube '50 (posthumously), and the Rev. Herbert Hafermann '59.

The featured speaker, Dr. Brian Mahan, helped us launch the "Discovering and Claiming Our Callings" initiative, made possible through a \$2 million grant from the Lilly Foundation.

A special effort was made to welcome the Class of 2007 and kick off a new academic year at Opening Convocation.

Homecoming '04

"Orange you glad..."

Warm temperatures helped to make Wartburg's Homecoming 2003 a success.

Events began Thursday with Kastle Kapers, which featured hit student performances such as junior Katie Rapp's traditional Irish step dance as well as the reformatted version of Bulbous Bouffant sung by seniors Marcus Knecht, Chris Lee and Nate Stalheim.

Junior Emily Carson, last year's Battle of the Unsigned Artists winner, played the guitar while singing her original composition "Tonight." Freshman Akeem Carter generated cheers from the audience with his human beat box sounds.

This year's Homecoming king and queen were announced after Thursday's Kastle Kapers show. Seniors Matt Stoffel and Sarah Tuttle received their crowns and robes from 2002 Homecoming royalty Austin Robertson and Ann Willhoite.

A pep rally followed in the PFC. Entertainment included senior Steve Bubb's comedic impersonation of a hypnotist. Ten students were "hypnotized" and later asked to perform several acts, including making fun of students attending other Lower Conference schools.

Prize money was awarded in increments of \$75, \$50 and \$25 to the winners

of the banners and windows contests. In the windows category, the Forensics Team won first with their stained glass motif on the Konditorei windows. The Residence South Hall Suite 107 took second, and the Waverly Manor's Chellevold House was third.

Crowd Control's banner earned first place, International Club took second and Artist Guild won third.

Audience members roared with applause at Friday's Kastle Kapers in Neumann Auditorium following the performance of Serenade, an a cappella group consisting of five Wartburg alumni.

After five years apart, Eric Allen '98, Ben Anderson '98, Matthew Armstrong '98, Michael Van Gorkom '99 and Andrew Vickers '99 teamed up again for the special performance, re-introducing their distinctive 50's and 60's doo-wop and gospel style to campus. Although the members have kept in contact, they haven't performed together since graduation in 1998. The group's recorded CD, Finally, was released at that time. (cont. on pg 10)

The annual Early Morning Knight Run/Walk kicked off Saturday's festivities. Seventy-six individuals participated in the 5-kilometer course. Prizes were awarded in eight categories for both males and females. The fastest overall female was Lisa Hughes '84 with a time of 20:07 and fastest male was Wayne McClintoc '85, finishing with a time of 16:54.

Forty floats were entered in the Homecoming Parade along Bremer Avenue. Judges awarded the International Club float first place, Ambassadors float second and Student Senate third. For the International Club, an international student from each of the 35 countries represented on campus carried his or her native country's flag.

The Renaissance Faire followed featuring food booths, games, and crafts. Actors and musicians dressed in medieval costumes provided entertainment.

No. 7-ranked Wartburg foot-

ball had an obvious strategy for the 2003 Homecoming game Saturday against Simpson: defense, defense and more defense.

Defense, combined with some big special teams plays, led to a 21-10 Wartburg victory, giving the Knights the inside track to the Iowa Conference title.

The football game was followed by Oktoberfest in the PEC Field House. Also that evening, Wartburg inducted eight people into their Hall of Fame. The 2003 inductees were Norm Johansen, Michael Hogan '84, Dr. Kris Kuper '88, Daniel Huston '85, Scott Fritz '85, Glen Colton '78, Lisa Uhlenhopp '92, and Bill Bleckwehl '77. The Wartburg Comm. Symphony preformed in Neumann Auditorium at 8pm.

Sunday morning began with Homecoming Worship and a Homecoming concert by the Wartburg Choir, Symphonics Band, and Winds Ensemble highlighted the afternoon.

Graduation

A total of 293 students participated in Wartburg College's 152nd Spring Commencement May 23.

Of the degree recipients, 37 graduated Summa Cum Laude, having achieved a 3.85 to 4.0 grade point average; 33 Magna Cum Laude (3.7 to 3.84); and 53 Cum Laude (3.5 to 3.69). The college awarded 286 Bachelor of Arts (B.A.) degrees and eight Bachelor of Music Education (B.M.E.) degrees.

The academic procession, led by faculty marshals, began commencement ceremonies. International students bearing the flags of their countries, emeriti faculty, current faculty members, the graduating class and platform party joined the procession.

During the ceremony, the college conferred a Doctor of Humane Letters degree upon the Rev. Dr. Hebert Brokering and a Doctor of Divinity Degree upon the Rev. Dr. David A. Solberg.

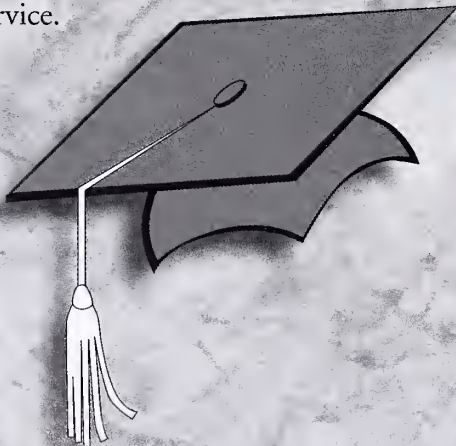

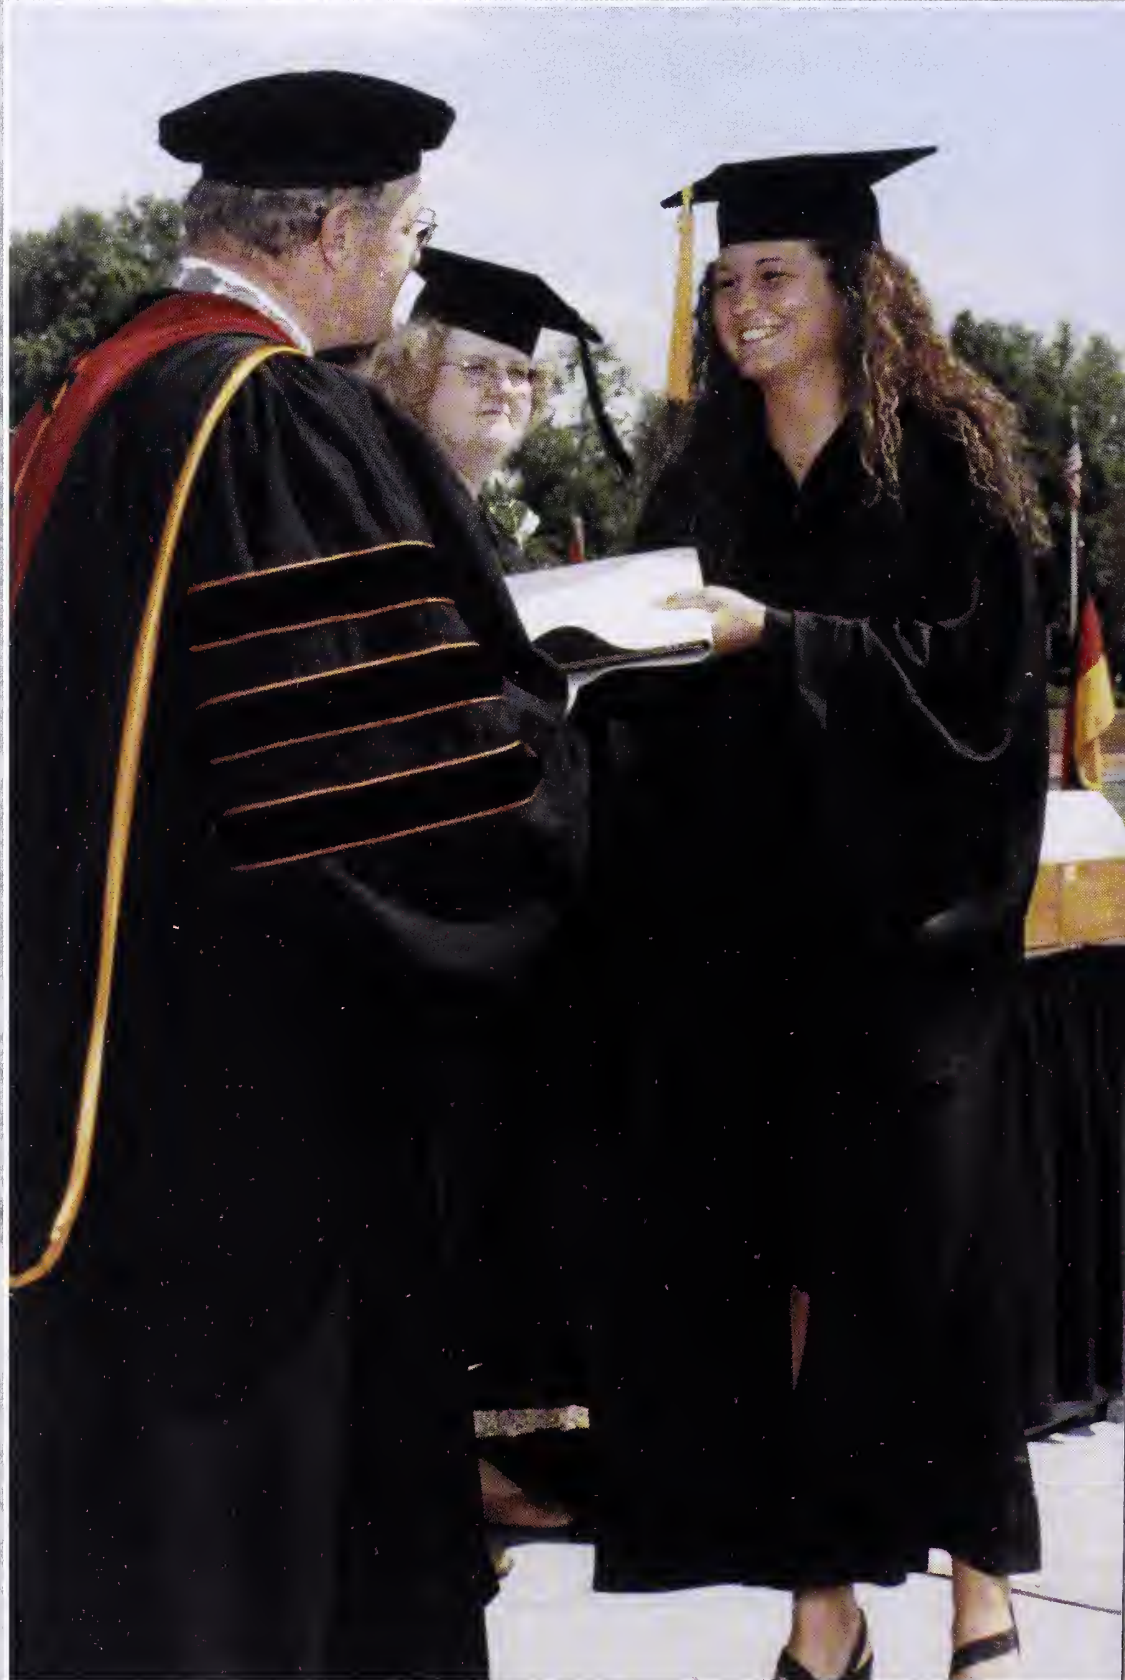

Brokering, Class of 1945, has enjoyed a long career as a pastor, writer, educator and workshop leader. In addition to his 30-plus devotional books, Brokering has published texts for more than 100 anthems and songs. His hymn texts, such as "Earth and All Stars" and "Stay With Us" are considered classics in many denominations. He and Carl Schalk, musicologist and hymn writer, composed "My Wartburg" for this year's Baccalaureate service.

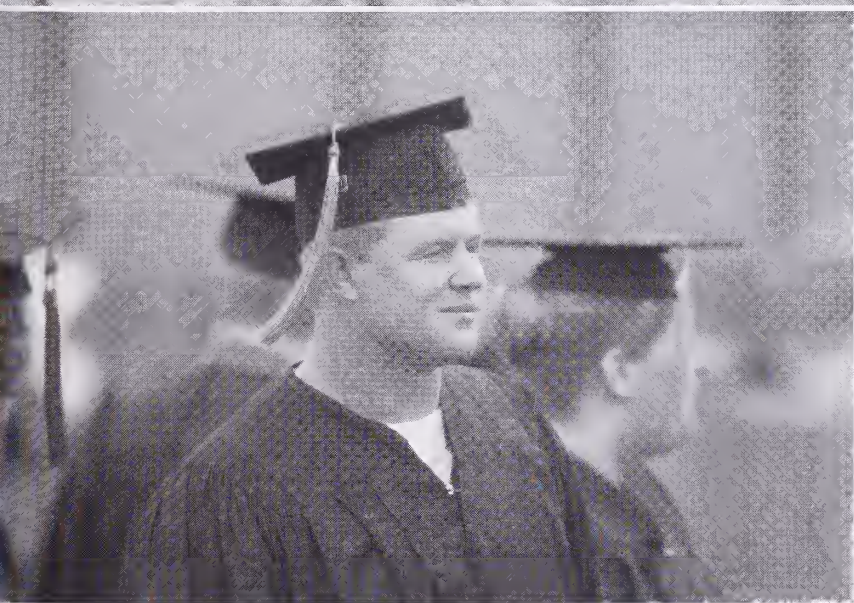

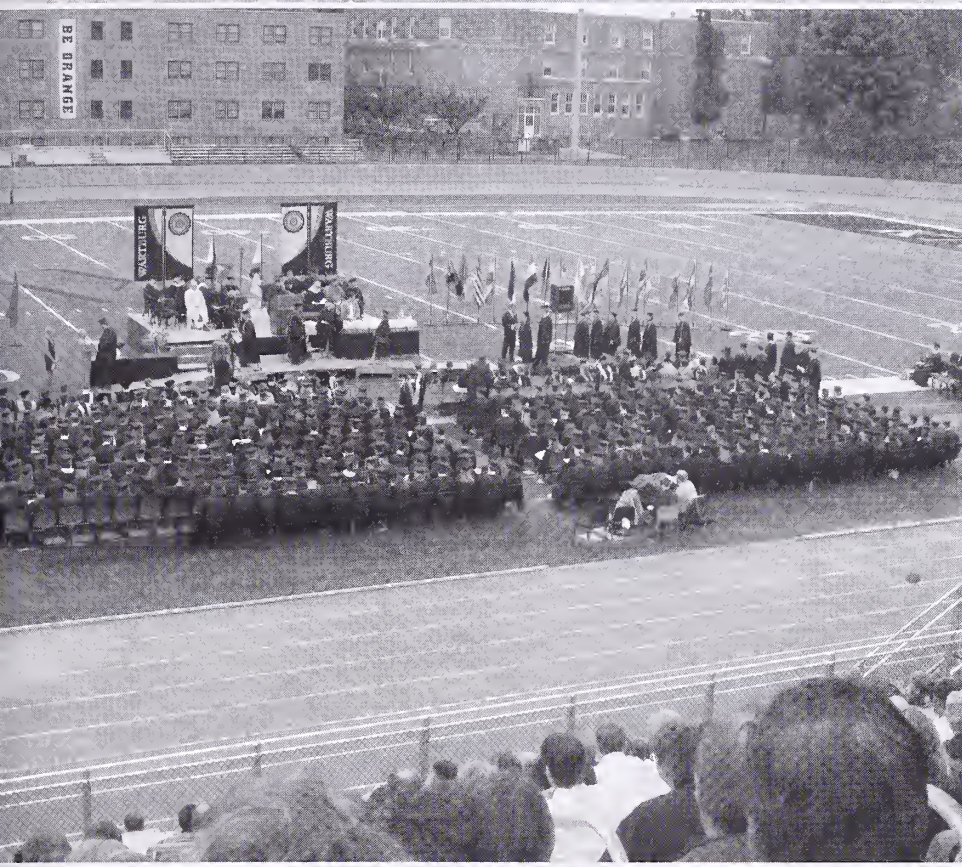

Solberg is vice president for strategic planning and development at Wartburg Theological Seminary in Dubuque.

He earned a Bachelor of Arts degree at Wisconsin State University-Eau Claire, a Master of Divinity degree from Wart-

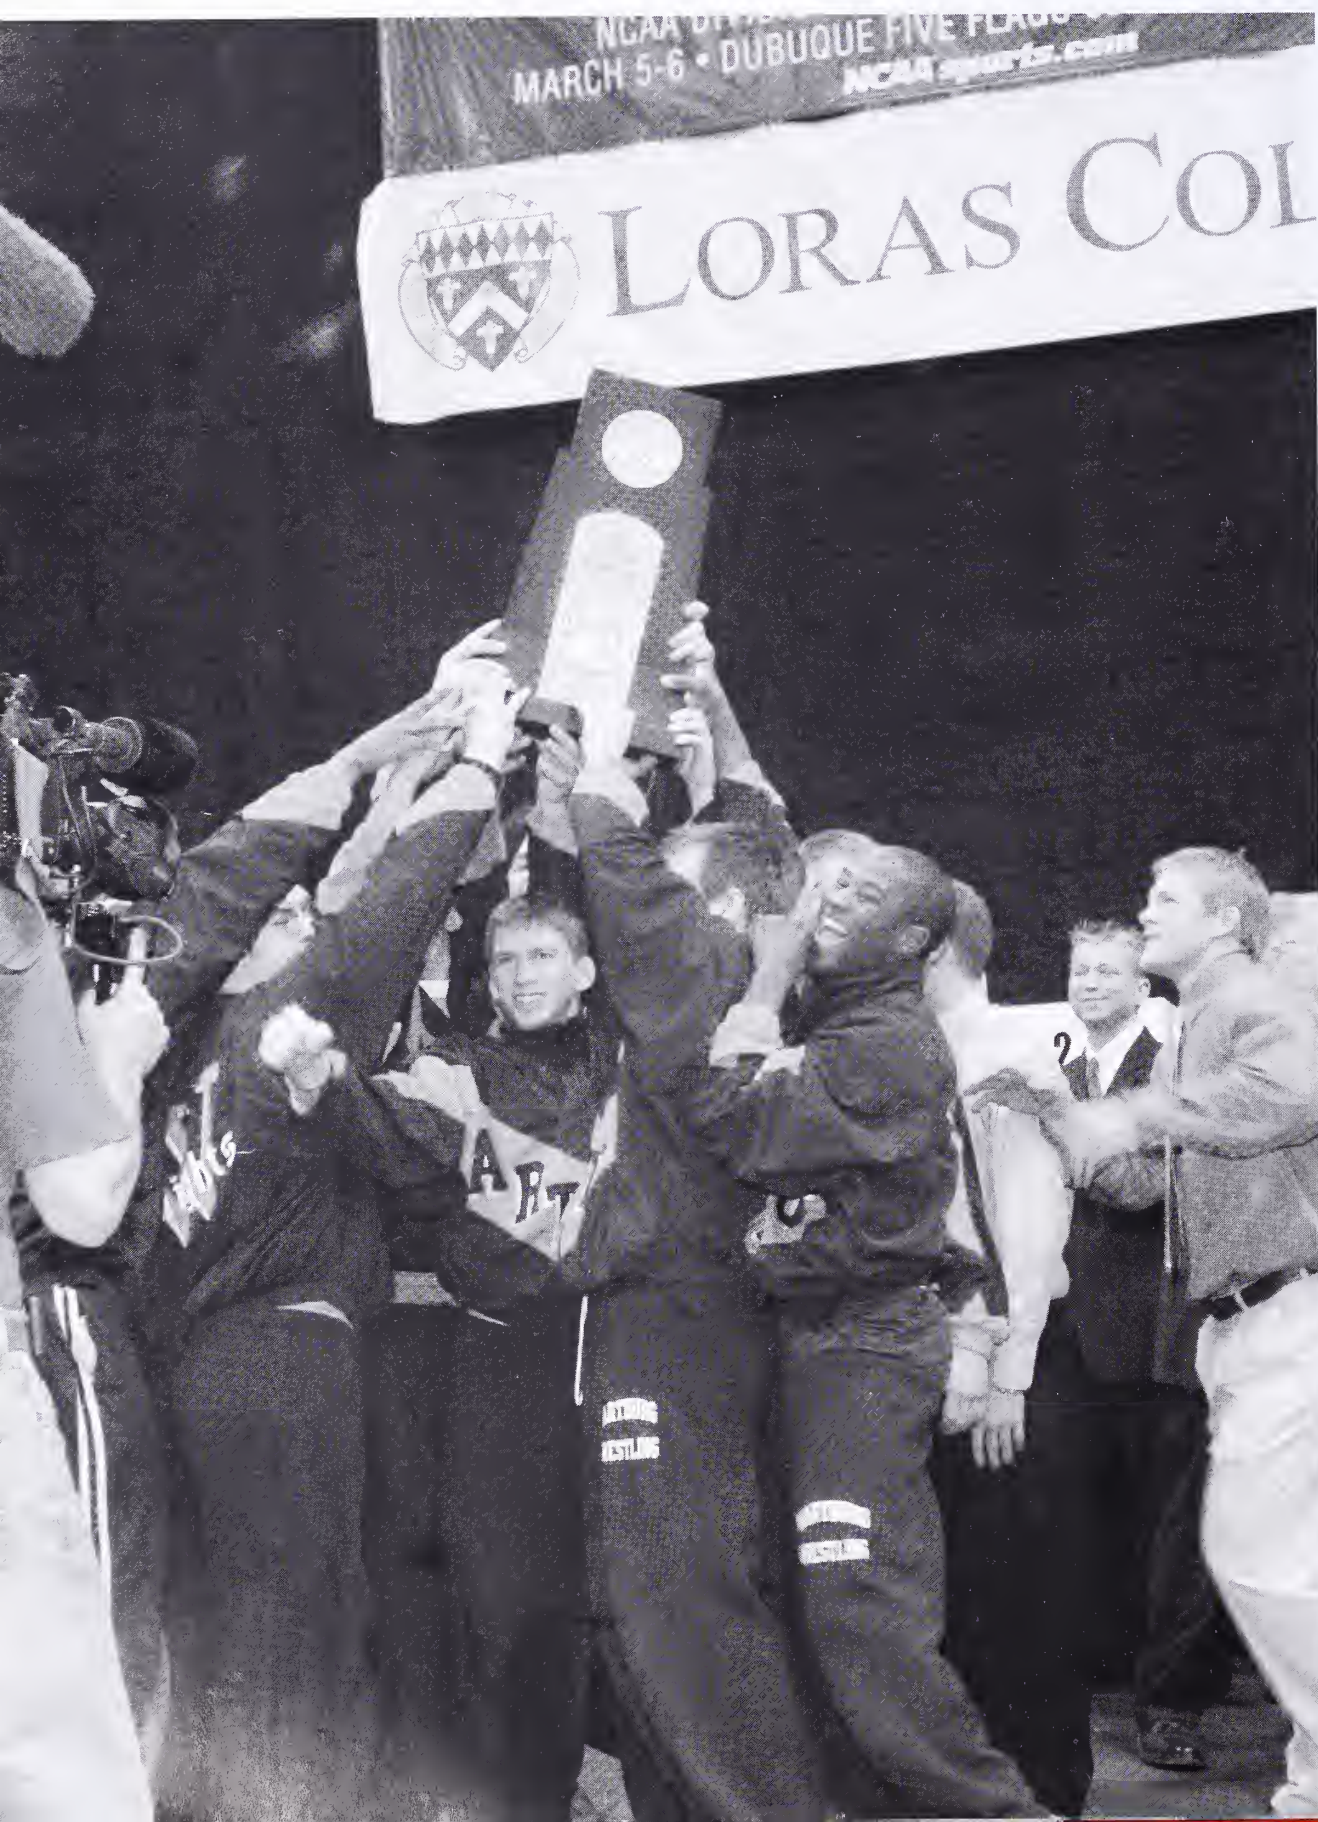

burg Theological Seminary, and a Doctor of Ministry degree at the Lutheran School of Theology in Chicago.

Wartburg President Jack R. Ohle delivered a charge to the Class of 2003, and senior Derek Riley spoke.

Bump, bump, bump it up.

The Wartburg volleyball team had another strong showing at the national tournament.

The Knights started their season with the Elmhurst Invite, going 2-2 with wins over Hope College and UW-Steven's Point. Wartburg next hosted ninth-ranked Central and had an early lead, before succumbing. The Knights won game one 30-26 and lead game two 26-23 before giving up seven straight points and then losing the next two games.

The Wartburg College Invite next awaited the Knights. They defeated Bethel, Neb. Wesleyan, and St. Olaf with their only loss coming from eventual tourney champion Simpson. Senior Dia Dohلمان and junior Sarah Olsen both made the all-tournament team.

After defeating Cornell in four games, the Knights took on rival Luther. Wartburg quickly took care of the Norse by sweeping them 30-14, 30-15, and 30-22. Senior Amy Kueker led the Knights with 11 kills, four ace serves, and 16 digs.

Wartburg then traveled to the WI-Whitewater Invite, going 2-2 with wins over Balwin-Wallace and the University of Dubuque. Wartburg registered its tenth win of the season with a four game win over Buena Vista, the 14th consecutive win over

the Beavers.

The Knights next enjoyed a very successful weekend at the Simpson Invite going 4-0. The tourney started with Wartburg beating Graceland 3-2 and St. Olaf 3-1. The next day the Knights beat both St. Benedict and William Penn 3-0.

After sweeping Loras, the Knights went to the Wittenburg National Invite, coming away with a 2-2 record and a fourth place

Knights kept their hot streak going by beating S. Mary's and WI-LaCrosse both 3-1. The final match of the regular season for the Knights was Dubuque, whom Wartburg swept to take a nine-match win streak into the post-season.

Ranked fourth entering the tournament, the hot Knights stormed through their first opponent, Loras, 3-1 and took on #1 seed Central. The Knights refused to lose with another 3-1 win, setting up a championship match with Buena Vista. The Knights won 3-0 to claim the IIAC championship and a spot in the national tournament.

The first round went well for the Knights, as they defeated Lake Forest 3-1. The next foe was a little more familiar, as Wartburg took on Central for a chance to play in the regional finals. The Knights beat the Dutch again with the score 3-1. In the regional final, Wartburg faced eventual national

champions Washington University (Mo.), a team they had lost to twice in the season already. The outcome of this match would be no different, with the Knights losing in the fifth game 17-15 ending their 14 game winning streak.

Despite the heartbreaking finish, Wartburg ended the season with 30 wins and a second consecutive IIAC crown.

"2003 was a good season with a great finish. We competed very well all fall but came through especially strong in the last two weekends of the season. I was so proud of our team and their efforts. They left everything on the court and that's all that is ever asked of them."

Simpson was next to visit Knights Gymnasium. Wartburg won the first game but lost the next three to the 21st ranked Storm. After sweeping Upper Iowa, the Knights went to the WI-LaCrosse Halloween Classic, finishing 4-0. Dohلمان earned all-tournament honors.

Putting the pieces together...

The Wartburg men's soccer team completed one of the most successful seasons in Wartburg history in 2003, winning the conference tournament to advance to the national tournament.

The season started on a good note for the Knights as they captured a 4-1 victory over Augsburg. Sophomore Scott Hill and junior Verne Houston had two goals each.

The Knights next faced Clarke College, whom they took a 5-0 win from. Houston had three goals, while juniors Collin Lane and Ian MacNaughton preserved the shutout.

After receiving their first loss at the hands of Neb.-Wesleyan, Wartburg quickly rebound to beat Wis. Lutheran 5-0. Houston led the Knights with another hat trick, while Lane played the whole way for the shutout.

The Knights played in Wis. again the next day, this time against Wis.-Platteville, with a 6-1 Wartburg victory. This time freshman Harrison Kibombo Lugujjo got the hat trick and one assist.

The Knights then traveled south to Illinois, where they crushed Lincoln Christian 7-0. Hill came through with a hat trick for the Knights while junior Micah Mc Morris added two goals and an assist.

Culver-Stockton was the Knights next challenger, with the game ending in a 2-2 tie on account of weather. McMorris scored Wartburg's only two goals.

Wartburg then took a tough 3-1 home loss to Colorado College before opening IIAC play with a 3-1 victory over Cornell.

The Knights defense was tough allowing only four shots on a goal, all coming in the second period.

Dubuque came to Wartburg next and the Knights put on an offensive show in a

7-2 win. The Knights got two goals from three different players and only allowed three shots on a goal to defeat the Spartans.

Wartburg then traveled to Dubuque to take on Loras, who handed the Knights their first conference loss 2-0. Wartburg came back in exciting fashion the next game, winning on a McMorris goal in the second overtime for a 4-3 victory against Central. The Knights again played extra long against Luther, with Kibombo Lugujjo scoring the winning goal early in the first overtime for a 2-1 win.

The Knights continued their roll with a 3-1 victory over Coe. Three different players scored goals while Lane and MacNaughton split time at goalie. Wartburg then destroyed Upper Iowa, breaking or tying eight records with a 10-0 win. Houston had four goals and an assist, while McMorris and Hill each added two goals.

The Knights avoided a let down against Simpson, scoring two goals late to secure a 2-1 victory. The regular season ended on a sour note, as Buena Vista ended Wartburg's five-game win streak 1-0.

The Knights entered the conference tourney as regular season runners-up, but were determined to play as long as possible. Wartburg won the first game 1-0 over Luther on sophomore Kirk Artist's goal with just under 15 minutes to play in the second period. The finals matched the Knights against #1 seed Loras, with the Knights scoring three second period goals, two by freshman Brent Schuchman, for a 3-2 win and a spot in the national tournament.

The Knights fought hard in their first-round match up with Gustavus Adolphus, battling to a 0-0 tie through two overtimes. Wartburg then lost in the shootout 2-0 to end their season.

"The men had a memorable season putting all the pieces together at the end for a story book run."

Building on Tradition

The number one ranked Wartburg College wrestling team stood true to its ranking by winning its second straight NCAA national championship at the Five Flags Center in Dubuque. The Knights' 156.5 point total eclipsed perennial rival Augsburg College of Minneapolis, Minn., by 16 points to give the school its fourth championship since 1996.

Wartburg produced the title behind four individual national champions and nine All-American performances. Sophomore Dustin Hinschberger (141 pounds), senior Bart Mehlert (149 pounds), junior Ryan Sturm (184 pounds) and sophomore Akeem Carter (197 pounds) all won their weight class. The four champions ties a Division III record. The Knights program now totals 19 individual national champions and 109 All-Americans in its history.

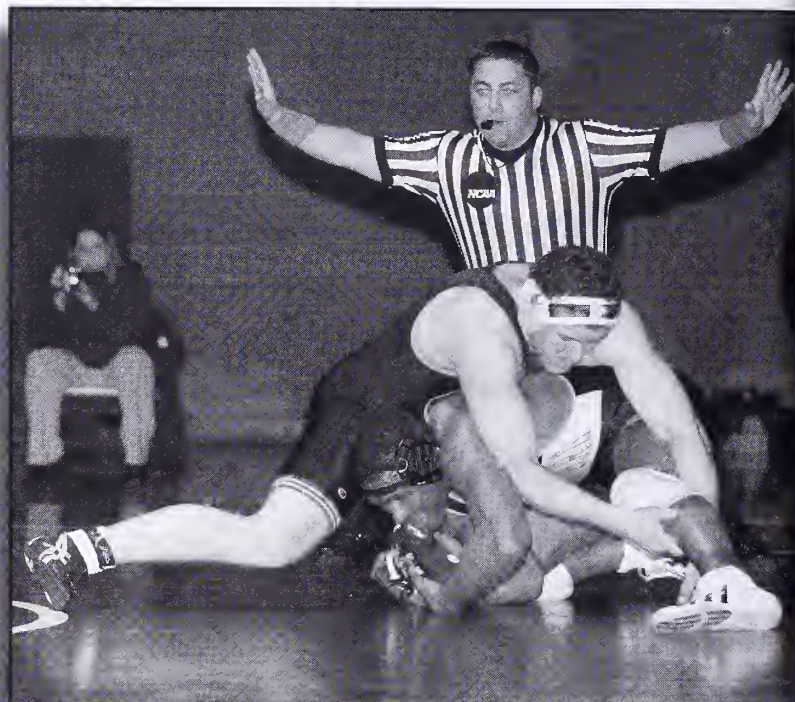

Hinschberger, Mehlert, Sturm and Carter all won rematches in the finals with three turning in crucial bonus points.

Hinschberger, who closed the season as the wins leader at 36-5, took care of the Auggies' Jamell Tidwell 9-1 in a key decision as Augsburg had closed to within five points of the lead prior. Mehlert pounded out a 13-1 major against Iowa Conference rival Clint Manny of Simpson to end the year unbeaten at 31-0

and his career with a 33-match win string. Sturm closed the 2004 campaign with a 27-match win streak and 31-3 mark by rolling past Delaware Valley's Josh Housekeeper with a 17-4 major decision. Carter upended UW-Stevens Point's Yan White 4-2 to close his first season in the Wartburg wrestling room at 27-2 and with a 21-match win string.

The Knights moved seven into Saturday's finals with senior 133-pounder Ozzie Saxon, junior 157-pounder Cory Connell and first-year heavyweight Blake Gillis taking national runner-up marks. Juniors Justin McClintock (125) and Mark Sturm (174) added All-American efforts by each placing fifth.

Christmas with Wartburg 2003

Christmas with Wartburg 2003

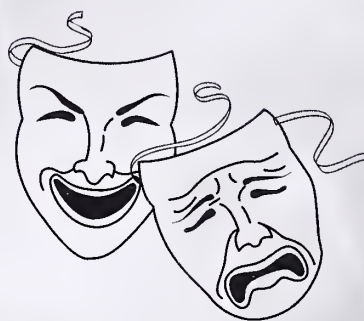

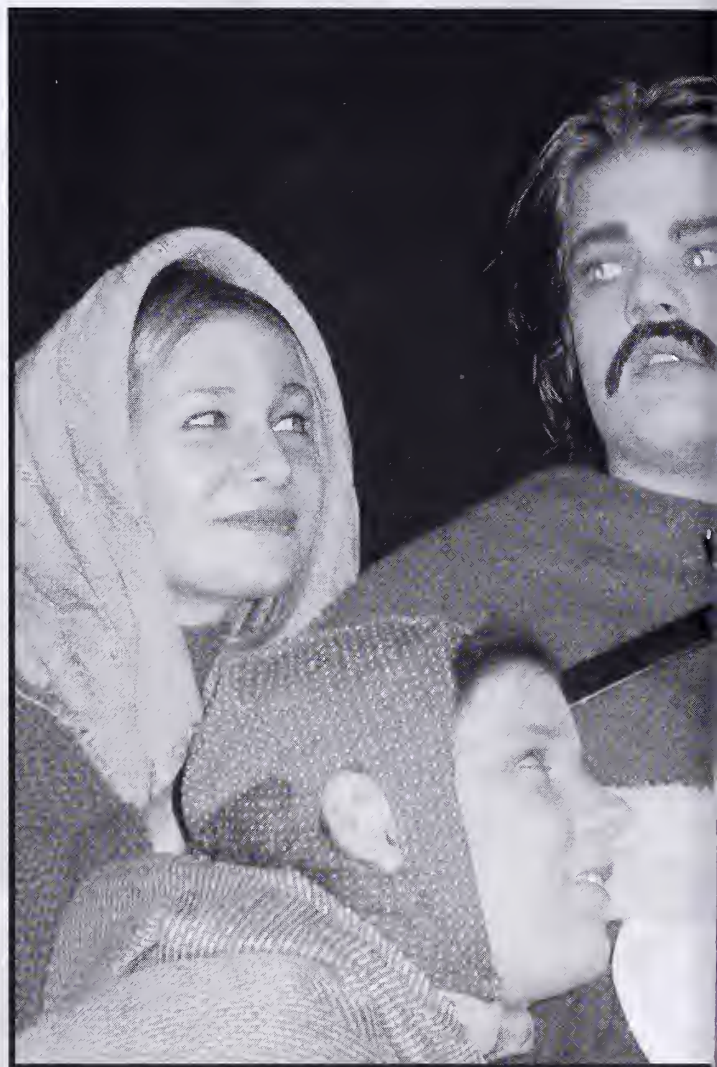

Christina Lentz

The Wartburg Players are starting the play season off this year with "The Man Who Came to Dinner." The plot of this play involves the famous radio lecturer Sheridan Whiteside, who slips and falls on the ice on his way into the home of a prominent Ohio family, the Stanleys. He is then confined to a wheelchair for a couple weeks and proceeds to disrupt the Stanleys' well-ordered lives. The cast includes freshmen Andrew Salvaterra as Sheridan Whiteside and Ariyo Erinkitola as Mr. Stanley, juniors James Hover as Banjo and Merrilee Lerdal as Maggie Cutler, and senior Emily Seboldt as Lorraine Sheldon. Stage manager Jamie Kranz is keeping very busy with the play.

"I enjoy working with all the different people involved in putting the production together, from the actors to the director to the many different crew people. I just love seeing the artistic version come alive," Kranz said.

The Wartburg Players will also be producing an Opera workshop, which includes, "Oedipus Tex" and "Mozart's Impresario" in February. Other performances this year are the plays Shakespeare's "Macbeth" in April and "A Bill of One Act Plays" in May term.

Casting call
Wartburg Players try organic casting for "Macbeth"

Vern Klobassa

"A tool-belt of skills to pull from," said senior Sally Mitchell about a process called organic casting. Mitchell is the assistant director of Wartburg's Winter Term play, "Macbeth." But what is organic casting? Organic casting is a method of casting a show where the blocking, acting and cast is not preassigned. With organic casting, each character is examined as a group to determine how the character should be perceived and how the character would move and speak.

"It fosters creativity, and it forces the actors to internalize their role," said Mitchell. "Instead of being told what to do, they [the cast] have to figure it out for themselves."

The organic casting of "Macbeth" was facilitated by Sara Truesdale, daughter of the late Vern Truesdale, former Wartburg vice president of business and finance. Truesdale is a professional actress from the Twin Cities and was brought in to help the cast with the organic casting process.

"She has helped the actors and actresses to explore their roles in ways they might not have thought to," said junior Jamie Kranz, the stage manager for "Macbeth."

"The organic work is a lot more fun than the director telling you what you need to do because there is more ownership in the process," said Dr. William Earl, professor of theater. Dr. Earl also said that although organic casting is more fun, it is also more work.

Freshman Dana Collova, who plays a witch, commented on the casting process. "It was hard not to get direction for some things, but overall I liked that I had a bigger hand in deciding who my character was and what she would be doing or where she would be going," Collova said.

Truesdale is not the only professional brought in to work with the cast of Macbeth. Scott Nice, a professional fight choreographer who is an assistant professor at the University of Northern Iowa, was brought in to choreograph sword fights.

Sophomore Thomas Hansen plays Macbeth. Hansen is a Danish citizen who lives in Germany. This is Hansen's first term as a student and also on stage.

"I thought it would give me something fun to do besides my school work," said Hansen. Hansen also said that he enjoys being involved with the play.

"Macbeth" is a Shakespearean tragedy that takes place in medieval Scotland. The main character Macbeth, after fighting a successful battle, encounters a group of three witches, one of whom is named Hecate. Hecate tells Macbeth a prophecy that he will become the thane (a rank of Scottish nobility) and then the King. Macbeth is skeptical at first, but when the king appoints Macbeth a thane, he then casts away all of his doubts. This leads Macbeth down a twisted road, where he and Lady Macbeth plot to kill the king in order to make the prophecy come true.

In a few decades, we will probably forget the meaning behind IS 101 or why we have to take it. Educational facts might slip our minds, but we'll remember people. Roommates, classmates, faculty, and staff helped us define our year and made a lasting impression.

“At First Sight” Movie Premiere

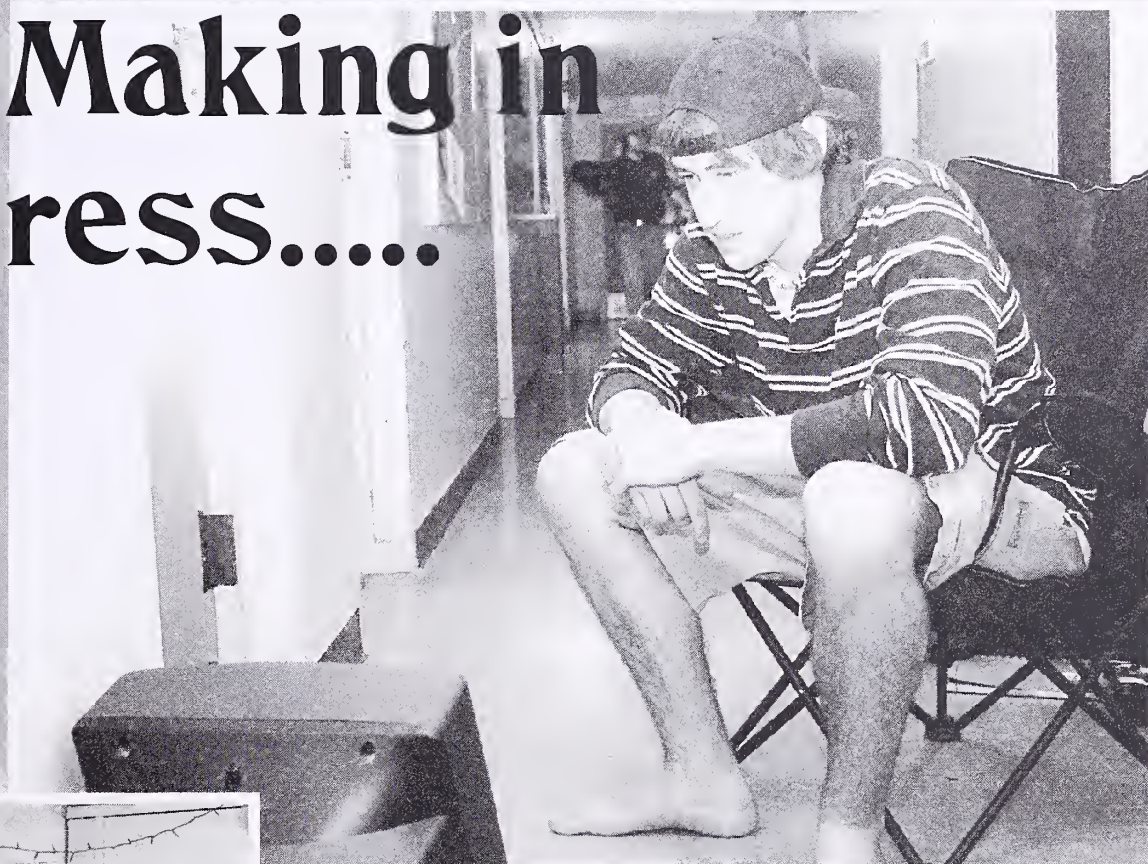

ABOVE LEFT: Actress, Emily Friedman() and Eric Zupancich make an elegant entrance to the movie theatre. MIDDLE: Tim Warmanen, director and co-writer of “At First Sight” walks into the Palace Theater Thursday night. BOTTOM: Actor Tyler Struck(Nate) and Rachel Zaccaro exit the limo and take on the red carpet. ABOVE: Actor Russ Goerend and Travis Kohl show their approval for the movie.

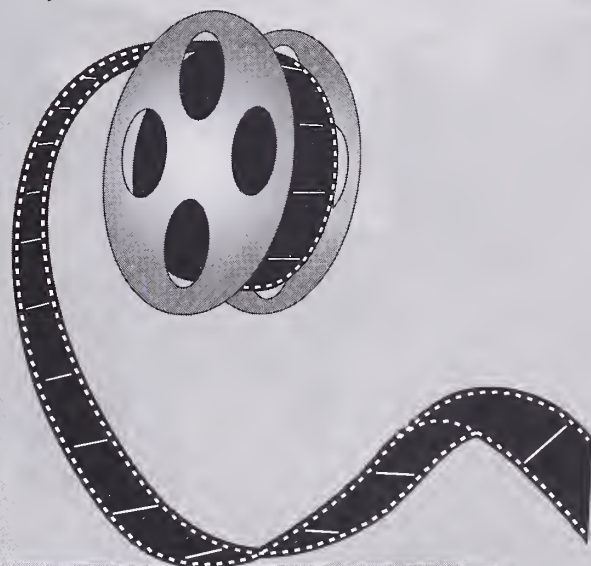

On the night of February 12th, 2004, all the hard work done by Tim Warmanen and his crew paid off when his movie premiered at the Waverly Palace Theatre. All the people involved in the movie arrived at the theatre in a limo and walked down the red carpet. Senior Tim Warmanen produced this 45-minute movie about “love-lust-and losing your mind.” The movie was shot during May Term 2003 for an independent study credit.

Movie Making in Progress.....

Above: Tim Warmanen makes sure his footage is perfect for "At First Sight" LEFT: Time Warmanen(right) and Matt Skilling(left) have a conversation about the next scene. MIDDLE: Travis Kohl as Dylan McAlister gets excited over seeing Vanessa. BELOW: The comic relief, Russ Goerend(left) talks to Nate, played by Tyler Struck(a past Wartburg student who was one of the leads in Tim's first movie "PLAYED," and now attends University of Northern Iowa).

"At First Sight" is not the first movie that senior, Tim Warmanen, has produced. Tim's first movie was called, "PLAYED" and he shot this movie during May Term his freshman year. "PLAYED" premiered at the Waverly Palace Theatre, as well, November 2001.

Tim planned his second movie, "At First Sight," to have more quality and content than the first. He also hoped to make it more professional than his first movie, "PLAYED."

"At First Sight" is about a guy named Nate(played by Tyler Stuck) who falls in love with a girl Vanessa(played by junior Emily Friedman) at first sight. What Nate doesn't know is that Dylan McAlister(played by senior Travis Kohl), who is the stereotypical jerk, got to Vanessa first. The movie takes place in a 24-hour time span and is shown through the different perspectives of these three main characters as well as the comic relief, played by junior Russell Goerend.

The other actors in "At First Sight" were: Junior Jason Burns as "Jay," Erika Quade as "Missy," Marcus Knecht as "Abe Lincoln," and Brian Burrier as the NASA employee. Tim also recieved help from Jacob Rosdail, who co-wrote the script. Matt Skilling helped out Tim with the production of the movie. Senior, Tim Warmanen will graduate in the spring of 2004 and plans on moving to Los Angeles, where he has the goals of becomming a professional movie editor.

What happened this year?

Compiled by
Lynn Hanks

In SEPTEMBER, students returned to campus to find two buildings under construction: Becker Hall of Science and the Student Union.

The union was later renamed the Student Center; the cafeteria was dubbed the Mensa. Plans to build a residential addition to Grossman were also announced.

2003-04 marked the eighth consecutive year of record enrollment. The Artist Series featured the improvisational comedy team Second City.

OCTOBER kept students busy with Outfly and Homecoming. A rare Friday Outfly hit campus Oct. 10. Homecoming festivities, including Kastle Kapers, coronation, a pep rally, the parade, and

the Renaissance Faire, began Oct. 16. In other campus news, a change to the Tuesday/Thursday class schedule was proposed and the Religion/Philosophy department announced plans to move into the Grossman addition. Women's golf wrapped up their season with a third-place Iowa conference finish, while women's tennis finished seventh in the Iowa Conference tournament.
